

LUXURY VILLA WITH POOL

Online holiday rental specialist French Connections is offering several luxury villas new for 2012, all with swimming pools and perfect for family holidays, in a range of locations across France, especially Brittany, the Dordogne, Languedoc-Roussillon and Provence.

Le Clos St Jean, for instance, is a luxury villa with its own heated pool in the Vendée. It has an appealing combination of private garden, town and seaside as it is in a quiet residential area of Saint Jean de Monts, close to shops and restaurants, and to a huge sandy beach.

Facilities include a billiard table, wi-fi and outdoor dining terrace. The main house sleeps up to eight and there's also an annexe suite – ideal for grandparents perhaps.
